We will discuss how our churches are living into their Open and Affirming (ONA) covenants. If your church has a covenant already, bring a copy with you. If your church does not have a covenant, or if it has been a while since you've reviewed it, rest assured that you will still be able to fully participate in our conversation about why ONA can be a vital part of our witness to God's expansive love and grace. All are welcome to join the discussion!
